You've got style
You've got class
And you've got a boyfriend who wants to kick my ass.

I made him angry
I made him annoyed
When I sent you funny pictures from my Polaroid.

I can't help myself
I fell in love with you
I can't help myself
You're the girl. The only one I want.

I showed up at your work
At the World Hill mall
You had a hot dog on a stick, yeah you looked just like
a doll.

"I'll love you forever"
I wrote with mustard on the tile
They dragged me (past you?) so I thought I saw you
smile

I can't help myself
I fell in love with you
I can't help myself
You're the girl. The only one I want.
Don't it make you feel crazy?
Make you lose all control?
Don't it make you rob a Donut shop?
And carjack an Ice Cream Truck?
Yeah!

Saw you on the news
You said I was insane
I'm always happy just if you mention my name

I wanna see you
Each and every day
But the policeman says I have to stay away

I can't help myself

I fell in love with you
I can't help myself
You're the girl. The only one I want

I can't help myself
I fell in love with you
I can't help myself
You're the girl. The only one I want.

Three's company too...
