When you borrowed it that night

You wore my jacket for the last time

The jacket used to be our history

Now its only covered with your memory  
So much time I spent with you now

All that's left are tears

fallin' off your bed

Marks made by your sleeping head

Lipstick from a drunken kiss

Ice Cream stains that now I miss  
I read the band names on the clothes

GBH, Black Flag and Dr. Know

I saw the Devo patch on your sleeve

And you were in my jacket but you wernt with me  
So much time I spent with you now

All that's left are tears

fallin' off your bed

Marks made by your sleeping head

Lipstick from a drunken kiss

Ice Cream stains that now I miss  
Blood from when you scraped your cheek

The dirt from walking by the creek

Coffee spilled on our first date

I used to let you wear it in the rain

So much time I spent with you now

All that's left are tears

fallin' off your bed

Marks made by your sleeping head

Lipstick from a drunken kiss

Ice Cream stains that now I miss

You used to wear it in the rain
