There's a new leader in the lands
With a platform I understand
I saw her face in the magazine
She looks hot in her tight jeans

Keep marching on
Solidier of love
Jenna Bush army
(You can't stop her)
Jenna Bush Army

She's got the brains and the looks that kill
Want to see her butt on a ten dollar bill
Ready your vote for her ballot box
You've got to admit it she's a fox

Keep marching on
Solidier of love
Jenna Bush Army
(You can't stop her)
Jenna Bush Army, yeah

I don't care who blows up the world
I only care about that girl
Men of America storm the election
When in doubt follow your erection

Call up your Congressman and say quote
"Sir, I'm horny and I vote"
Come ye rally round the flag
If you don't like her, you must be a fag

Jenna Bush Army
Jenna Bush Army, yeah

Jenna, Jenna, Jenna, Jenna
Jenna, Jenna, Jenna, Jenna
Bush, Bush, Bush
