You want a guy who can bring the Bacon
And you want a guy with Savoir Faire
Somebody who can take control of it
Someone with cool black shiny hair
(YEAH!)

You don't want a boyfriend
What you want is Mr. Spock
To come to your wasteland
And destroy the roh-oh-oh-oh-oh-bot
Something more than human
Someone with blood that's cold and green
You want something better... than me

Captain Kirk went to the planet *laser sound*
And there he fought the man-lizard
He saved the ship, invented the gunpowder
But that's just not good enough for you, is it?!
Nooooooooo!

You don't want a boyfriend
What you want is Mr. Spock
To come to your wasteland
And destroy the roh-oh-oh-oh-oh-bot
Something more than human
Someone with blood that's cold and green
You want something better than meeee..meeeee....

You sit all night at your computer
Drinking Diet Dr. Pepper
Looking for an answer to it all....
Say the words! Say the words! Say! Say! Say the
words!

You don't want a boyfriend
What you want is Mr. Spock
To come to your wasteland
And destroy the roh-oh-oh-oh-oh-bot
Something more than human
Someone with blood that's cold and green
You want something better than meeeee... meeeee...
than me!
