Nervous breakdown come take me away
Nervous breakdown cafeteria today
I fell down on the floor oh god i spilled my milk
Someone pull up my pants i think i need some help
And i can't believe that i'm fallin
No i can't believe i'm fallin again
Will you visit me at the bottom?
Yeah i'm fallin
Gonna give the devil his dues
Nervous breakdown doc what should i do?
Never fall in love with a girl from BYU
She came in the record store and i fell down in the stall
Those Salt Lake City girls play kick-ass basket ball
And i can't believe that i'm fallin
No i can't believe i'm fallin again
Will you visit me at the bottom?
Yeah i'm fallin
Gonna give the devil his due
Put the needle down
Put the needle down
Put the needle down
Put the needle down
Put the needle down
Put the needle down
Put the needle down
Put the needle down
Put the needle down
Put the needle down
