I bleached my hair just like Vince Neil
Then you made me cut it like James Hetfield
We're gonna put an end to alternative rock
We'll find a way to make the Cranberries stop
We went to Sears for pictures at Christmastime
But they wouldn't let us make the metal sign
No they wouldn't let us make the metal sign

I'll bring the wine you bring the bread and cheese
It's hard to eat when you're headbanging
Makin' out in the middle of the pit
How come Slayer doesn't sing about this
If anything comes between you and me
Then heavy metal heaven, that's where we'll meet
We are Pantera fans in love

What's with these punk rock nerds, they can't even sing
I wish we'd never heard of The Offspring
A candlelit dinner, now we're holding hands
I taught you how to draw your first pentagram
We went miniature golfing but we didn't get far

Because we used the clubs to play air guitar
Oh we used the clubs to play air guitar now

I'll bring the wine you bring the bread and cheese
It's hard to eat when you're headbanging
Makin' out in the middle of the pit
How come Slayer doesn't sing about this
If anything comes between you and me
Then heavy metal heaven, that's where we'll meet
We are Pantera fans in love
We are we are Pantera fans in love

We saw Ozzy on our first date
Our special song is Crazy Train
Makin' out in the middle of the pit
How come Slayer doesn't sing about this
If anything comes between you and me
Then heavy metal heaven, that's where we'll meet
We are Metallica fans
We are Megadeth fans

We are Manowar fans in love
We are Pantera fans in love
