Tell Deon Warwick, And all her Psychic friends.
I won't be calling. They can't help me.
'Cause I don't wanna know the truth.
I only want my dreams
Here in Lovelygirl, Tennessee

See, all the old stars have fallen from the sky.
Coming down in the darkness of the night.
Anthony Robbins smiles just like a loon.
Well that may settle them
But it doesn't reach my motel room.

Cause I'm thinking of you.
And all the fun we had.

Yeah I'm thinking of you.
And hope that things don't go bad.

Where do all these born and beautiful girls come from?
At the hotel, they all want me after the show.
They say "I give the first three minutes free"
But I would happily say
That they've beat me out of Ohio

Cause I'm thinking of you.
And all the fun we had.
Yeah I'm thinking of you.
And hope that things don't go bad.
ROCK!
