[Verse 1: Lone Ninja] Oppose the enemy squadron, pagoda heavily guarded Opponents better flee my foes are dearly departed Behold there's plenty of carnage, I'm Plumb loco You're pummeled in dojo, when rumbling toe to toe Hurt with fatal blows you jerk I'm worth my weight In gold you may get rode in a hurst I urge you take It slow apply pressure stepped inside sector, with wretched Violent temper, slice and sever left right and center Threaten and startle, you wept in sorrow I'm getting In quarrels with veterans, that rest on their laurels It's too late to try to make amends in cruelest place It's time to face your end I mutilate obliged to Take revenge, herbs act tough knowing they wasn't rugged You're smacked up want to make something of it Mad traps scattered, I been a rough rebel Last man standing, when the dust settles I'm a tidal wave with a storm you got seasick Spies will gaze and will swarm, I'm top secret You're skating on thin ice you'll bite the bullet slug I'll cave in your windpipe it's time pull the plug [CHORUS: Lone Ninja (2X)] I'll discard the gat from your holster, holler back at the soldier I'm the god of havoc, enter the holographic pagoda You target practice I'll smoke you, overwhelm and offend you My world is suspenseful, step into the realm of potential [Verse 2: Lone Ninja] Prepare to get in your battle stance; the timid won't have a chance It's perilous you're near the cliff of an avalanche I've broken the shackles I go on the prowl With the soldier's apparel throw in the towel Lone Ninja pose threat won't give ya no rest Grotesque, foes in a cold sweat Not concerned about the hearsay I toss them down The staircase, cause turn about is fair play Don't compete with sergeant I'm nobly regarded Hold the heat and cartridge foes will heave and vomit Approach me with homage or I'll fix your wagon Diss the captain and get hit with the fist of Samson Vicious and I'm violent, I'm rank and gully par You lived to tell about it, so thank your lucky stars Shuttle with jetpack, I come were you rest at Suckers should step back or suffer a set back Rattled sabers, encroached were you slept Graphic nature, I'll choke you to death Kill the noise, clap, bang

can't avoid shots rang At point blank range, your boys
got slain [CHORUS]
