

## Long Story Short

### "Eternal Smile"

When the darkest night swallows the gray  
When I see the sun slowly fading away  
When our memories keep me awake  
And I'd give anything to see you one more day  
Where the river meets the sky, I know you're by my side  
Watching me from above with a smile

You made me who I am, you made who I am  
You made me understand  
And you'll always be my best friend,  
And you'll always be my best friend

Yeah I'm with you, yeah  
You're with me now and I'm with you, yeah  
Can hear your voice and I'm with you, yeah  
Still feel your touch and I'm with you, yeah  
And I'm with you, yeah  
And I'm with you, yeah  
And I'm with you, yeah  
And I'll always be with you  
Yeah, I'll always be with you
