It's cold outside,  
As I make my way on,  
Flashbacks,  
To those times we hung on.  
I love you,  
You know I still do,  
But this was just,  
A game for you.

Bridge  
So I go on now,  
In my pool of tears I drown,  
My feelings weighed upon me,  
My heart torn apart.

Chorus  
I gave you everything that I had  
And I'm sorry I couldn't give you more,  
So why did you cheat around,  
Rip my heart out now,  
I never thought you'd be,  
The girl, who destroyed love,  
For me...

How could I be  
So stupid to not hear,  
Those heavy sighs and,  
That looks of misery,

Bridge  
So I go on now,  
In my pool of tears I drown,  
Why didn't you just tell me,  
I wasn't what you needed.

Chorus  
I gave you everything that I had,  
Yet I got to find out the hard way.  
You shouldn't cheat around,  
Love them and leave 'em now,  
Guess your love was just a tease,

Cuz you're the girl,  
Who destroyed love,  
For me...

I walked in  
To your love making,  
How,  
Could you do this to me?  
My head's confused,  
My heart is heavy,  
As I think about  
The girl who destroyed love,  
As I think,  
About You...

#### Chorus

I gave you everything that I had,  
And here I am, feeling all sad,  
'Cuz you had to cheat around,  
You loved me and left me...  
Ohhhhhh...  
I gave you everything that I had,  
And you should be sorry, you broke my heart,  
I don't know what to do,  
I sure don't feel so good,  
Because you turned out to be,  
The girl, oh yes, that girl,  
Who destroyed love,  
For me...
