I haven't cried since my father died  
He took a piece of me when he flew away  
You all think you know who I am  
But did you know I killed a man back in '94?

I know you're with me tonight  
I know you're with me tonight

I had a chance to spend my last days with him  
But I chose to turn away, blinded by reality  
I saw him in one of my dreams  
He was the captain of a ship sailing towards the light

I know you're with me tonight  
I know you're with me tonight
