You are falling for me
And the love you have
Is reformed in me
Well, I forget to tell you
How much you mean to me
But you never change
Oh, you never change

We drive and drive and drive
But never get anywhere
We talk and talk and talk
It's not fair

You have to believe, you have to (x2)

That what I feel, it is right for us
It is right for us

It is right fo' luv (x2)

You are falling for me
And the love you have
Is reformed in me
Well, I forget to tell you
How much you really mean to me
But you never change
Oh, you never change

You have to believe, you have to (x2)

That what I feel, it is right for us
It is right for us

It is right fo' luv (x2)

You have to believe, you have to (x4)

'Cause what I feel, it is right for us
Right for us

It is right fo' luv (x4)
