I'm losing you, I'm losing all control
Just let me be, let me be alone for now
Wanna be alone tonight
Once again we've gone off track and lost all hope for
coming back
Its time to restart again, and try all over all again

It's time to work, the work is useless now
Oh, can't you see,
your health is lost to me
i Wanna be alone tonight
Once again we've gone off track and lost all hope for
coming back
Its time to restart again and try all over, yeah try all
over

We've lost all hope for coming back
We've lost all hope for coming back
We've lost all hope (we've lost all hope) for coming back
Lost all hope for coming back

Once again we've gone off track and lost all hope for
coming back
Its time to restart again and try all over all again
