You think you know a lot about the things that are going  
on  
You think you've made the right decisions for walking  
away  
Well your wrong  
You won the race but lost the case  
Will you ever stop fighting me?  
Your wrong and i'm right  
Well your not coming back  
Even if you did you'd change your mind  
Your not keeping the tempo anymore  
Cuase you couldn't leave her behind  
No we're not responsible for the mistakes you've made  
You won the race but lost the case  
Will you ever stop fighting me?
