Well I don't want you  
When you want me  
And I don't need you  
Like I need dough  
See those flowers?  
They were on sale  
And all that foreplay  
It was for me

I never loved you  
When you loved me  
I never cared about you  
When you cared about me

I've got the F-L-double O-R  
The F-L-double O-R, R-R  
The F-L-double O-R  
I've got the floor

Hey pretty lady  
Not you, behind you  
Where'd you get that  
Amazing booty  
Oh, tae-bo works?  
See, tae-bo works!  
Thanks for the info  
Here's my number

I never loved you  
When you loved me  
I never cared about you  
When you cared about me

I've got the F-L-double O-R  
The F-L-double O-R, R-R  
The F-L-double O-R  
I've got the floor

I don't want you  
When you want me  
And I don't need you

Like you need me (x2)

I never loved you  
When you loved me  
I never cared about you  
When you cared about me

I never loved you  
I never cared about you  
I don't need this game  
I'd rather sit it out

I've got the F-L-double O-R  
The F-L-double O-R, R-R  
I'm in control of us so far  
I've got the floor  
I've got the floor

I don't want you
