So honey get it straight or be on your roller blades and

My style switch fast like a rash then it get you itchin'
My flow is crisp like a bucket full of Cornnells chicken
I mold the beat like pottery lyrics flow like blood
through the artery
With more rhymes then numbers at the lottery
You know my stello have my doe and watch me drop a
flow
I wax shit up and make it shine like I was Mop & Glow
So come on baby love let's put it on no fakin' moves
Let's flip on it heads I win and tails you lose

While jealous snakes say damn mon you should of
