Hook:

"Grand Puba is" (very special) uh ha uh ha (x4)

Verse 1:

Now many guys may come to you
With a line that isn't true
And you, pass them by (pass them by)
But it doesn't mean a thing
Cause Grand Puba got that game so won't cha, let me
try (let me try)
Now just because I drive a Mercedes Benz (whoa yeah
yeah)
That don't mean I'm gonna be trickin' on skins
See all I'm sayin' is (la la la la la la la love me)
It's Grand P (twist the L yo twist the L)
See I'm sayin' just (la la la la la la la love me)
It's Grand P (twist the L yo twist the L)
Here goes the man with the pecan tan
The one who flims the flam the one who plays weak
MC's out like ham
I got the style that be bangin'
When the flow gets to slangin'
I be leavin' MCs hangin'
On my jammy just swangin'
So many brothers try to be me
Only two can probably see me that's Ray Charles and
Stevie
My shit knocks from Lincoln popcorn down to Frangle
Rock
Me turn pop?
Save that shit for Arnold Redenbach
Cause when it comes to this see Puba's not a stranger
Get the honies hooked like they kids is hooked on
Power Rangers
And I ain't goin' now where word is born
Cause I've been doin' this since Shay Shay Lafon
I tell my record people everyday
We do this my way cause when it comes to my music I
don't play
I'll came and slay ya or I may ah
Make sure my getaway is more swifter than O.J.

Because...

Verse 2:

Well who dat who do dat?

It's Pubat well true dat

While some try stealin' but they just keep failin'

Cause there's nothin' but smooth sailin'

The way I bring it to ya hon

Leave another stuck my scoop is how I get it done

There goes the little drummer boy so

purumppapumpum

It's Grand Puba hon I hit it ruff like ? and still puffin'

stuff

I smack some mingos and sit back and watch my

pockets fluff

Grand Puba here to get the party started

See I come with thee exotic

While you're puffin' your narcotics

I'll be damned if this don't hit cha where it's suppose to
get cha

I keep it flowin' now would I bullshit cha?

I create styles and fashion with compassion

While others are simply trashin' cause my shit is simply
smashin'

Stud Doogie still with me

From, sea, to, shining, sea
