All bets are off, lay your cards on the table,
Draw down the moon.

All bets are off, cause I know you're not able,
And everything will be ending soon.

I don't speak, I don't feel,
Cause I know that it's over.

But this hurt is unreal,
So I'm holding on.

I don't speak, I don't feel,
But I know what it takes,
This is how it feels when a heart breaks.
This is how it feels when a heart breaks.

Just one more time, let me dream of fresh fortune,
Just one more time.

Freak show divine,
All the things that I can't do, crowd and muddle my mind

Was it always ever this?
Were we condemned to an end?
A bitterness that tastes so sweet,
No matter what I do
Must I always think of you
Forever, forever?

I don't speak, I don't feel,
Cause I know that it's over.

But this hurt is unreal,
So I'm holding on.

I don't speak, I don't feel,
But I know what it takes,
This is how it feels when a heart breaks.
This is how it feels when a heart breaks.
When a heart breaks.

I don't speak, I don't feel,
Cause I know that it's over.

But this hurt is unreal,
So I'm holding on.

I don't speak, I don't feel,
But I know what it takes.

This is how it feels when a heart breaks.

This is how it feels when a heart breaks.

Oh, this is how it feels,
So this is how it feels.
