Worry trouble and pain  
Those old familiar foes  
Come to call again  
on the doorstep  
cap in thier hands  
you've emptied all your pockets  
just to pay the man

One day, one day  
we'll forget this all one day  
Just for now  
we learn to say

CHORUS  
Oh-oh-oh, We are not our sorrows  
We are not our scars (no)  
We are only human  
This is what we are

We got a whole new  
world in our hands  
we can dream ourselves a way  
we can make a plan  
we'll walk slowly  
Our heads in the air  
Even this I know we'll bear

One day, one day  
We will sing our blues away  
Just for now  
we learn to say

REPEAT CHORUS

ohhhh

One day, one day  
we will sing our blues away  
Just for now  
we learn to say

REPEAT CHORUS

oohh wooo oooo

This is what we are

This is waht we are
