Ooh ooh ooh
Ooh ooh ooh

When all is said and all is done,
You shall be the only one.
Can i lay my head down? Will you say,
Every little thing's going to be ok?

Ooh ooh ooh
Ooh ooh ooh

It starts in the head and it begins,
It starts and it changes everything,
It starts and it never fades away.

Can I lay my head down? Will you say,
Every little thing's going to be ok?

ooh ooh ooh
ooh ooh ooh

Did Juliette ever love this way?
A rush of blood and this swoon and sway?
Pretty little love's going to come for you,
Pretty little love's going to see you through.

Ooh ooh ooh
Ooh ooh ooh

It starts in the head and it begins,
It starts and it changes everything,
It starts and it never fades away.

Can I lay my head down? Will you say,
every little thing's going to be ok?
Can I lay my head down? Will you stay?
Every little thing's going to be ok.

Finally I believe that I am happy,
All this time, I have waited all this time,
To feel it start,

To feel it start,

ooh ooh ooh
ooh ooh ooh
ooh ooh ooh

Oh, I waited, I waited, I waited so long,
Now the path is gone,
Oh, I waited I waited so patiently,
I knew one day you'd come to me,
I knew one day you'd come to me.
