When routine bites hard
And ambitions are low
And resentment rides high
But emotions won't grow
And we're changing our ways,
Taking different roads
Love, love will tear us apart again
Love, love will tear us apart again

Why is this bedroom so cold
You turned away on your side?
Is my timing that flawed,
Our respect run so dry?
Yet there's still this appeal
That we've kept through the years
And love, love will tear us apart again
Love, love will tear us apart again

(Do) you cry out in your sleep,
All my failings exposed
I've got taste in my mouth
As desperation takes hold
Is it something so good
Just can't function no more?
Yeah something so good
Just can't function no more
And love, love will tear us apart again
Love, love will tear us apart again
Love, love will tear us apart
Love will tear us apart
Love will tear us apart again
Love...
