i,m at amandas weddin  
in a church on thomas street  
i'm lookin at the bridsmaid  
and she's lookin back at me  
and when the sevice ends  
ask her if she wants a lift  
a back to the hotel, and if it goes well  
finger and a shift

she says fitzy drives a mitizy  
and he offered me a spin  
enda hava a honda  
so i might just go with him  
and darragh gibney said he'd bring me  
in his subaru  
so what the Fuck would make you think  
i'd wanna go with you.

i said Fuck you're honda civic  
i've a horse outside  
Fuck you're subaru  
i have a horse outside  
and Fuck you're mitsubishi  
i've a horse outside  
if you're lookin for a ride  
i've a horse outside

she said i don't believe ya  
i said its Fuckin true  
i swapped him for a bag of yokes  
in 1992  
and i don't need insurance  
i don't need no parking space  
and if you try to clamp my horse  
he'll kick you in the face

i don't pay no tax  
Fuck nct  
you'll arrive in style  
if you ride with me  
and the boys are walkin over

jingling their keys  
i look the Fuckers up and down  
and give them one of these

i said Fuck you're honda civic  
i've a horse outside  
Fuck you're subaru  
i have a horse outside  
and Fuck you're mitsubishi  
i've a horse outside  
if you're lookin for a ride  
i've a horse outside

giddy up now baby  
bless my soul  
i rode the Fucker round the field  
back since he was a foal  
he runs a bit like shergar  
and he jumps like tir na nog  
he looks like billie piper  
after half an ounce of coke

and the boys are lookin jealous  
as i lead yer wan away  
just before i close the door  
i look at her and say  
would you be my girl  
and she says, i will a course  
if you grab me by the pony tail  
and ride me like a horse

ya Fuck you're honda civic  
i've a horse outside  
Fuck you're subaru  
i have a horse outside  
Fuck you're mitsubishi  
i've a horse outside  
if you're lookin for a ride  
i've a horse outside
