Shattered world, fuels the pain
All our lives in despair
Faceless enemies change the world
Evil plans are carried out

There are times in this life
When the games have to end
My misfortunes it's wrong
New world order must be gone

Shadow government fuels the pain
All our lives in despair
Faceless enemies building debt
Corrupting the world

Abandon In Place
Abandon In Place
Abandon In Place

Wasted dreams
Generations fade away
Now we speak the unspoken
Truth prevails

Abandon In Place
