They swarm like for profit  
Pretending to understand  
A promise never to be kept  
Keeping our mind in custody

No warrant scapegoat torture direct

Self righteous fucking sucker  
Phantasmagoric  
Dishonesty  
Dazzling us

They swarm like for profit  
Pretending to understand  
A promise never to be kept  
Keeping our mind in custody

No warrant scapegoat torture direct

They swarm like for profit  
Pretending to understand  
A promise never to be kept  
Keeping our mind in custody

A heap of problems indigestion  
There's no solution at all  
Completely distorted truth  
Fed up with it all  
We'll never take your game seriously

A heap of problems indigestion  
There's no solution at all  
Completely distorted truth  
Fed up with it all  
We'll never take your game seriously
