Can't fake fake what I'm about to say
I got time to work still time to play
I don't play play game by the rules
Tonight Imma party and break it loose
I got the fire to blow your fuse.
I won't play it safe no
I close my eyes and I see it thru till morning light
Morning light Oooo

Chorus:

Tonight were gonna be getting into something
Tonight I'm gonna let you into something hot..
Tonight were gonna be start start start something
Tonight there ain't not limit to your heart
So if your gonna hit it better hit it hard
