He's got me on locked down,
My feet haven't touch the ground,
I do like the way I feel.
He's got me on locked down,
my hands spend round and round,
his love got hold â€¦

If I see something I go and get it,
They wanna make â€¦and regret it
Yeah, his hot so call the paramedic,
'cause it's like he's got hu.. me.
The boy is bad and yes you best believe it,
I'm addicted to his love like a drug, I'm not leave in
And could've been that he's the man of my dreams
I got it to keep him with my eyes and see.

I can't explain what he does to me
But I know, I know,

Chorus:
He's got me on locked down,
My feet haven't touch the ground,
I do like the way I feel.
He's got me on locked down,
my hands spend round and round,
his love got hold â€¦

'cause I'm now,
I'll never let him go,
'cause histhe one I want
You see he got me total, total, total, total down.

My friends have seen me now ..days what they say
I got a hunter boy and .. the right way,
And I don't care just what my mama say,
'cause it's everything I want for me.
The boy is bad and yes, you best believe it,
I'm addicted to his love like a drug, I'm not leave in,
And could've been that he's the man of my dreams,
'cause his everything I want for me.

[Chorus:]

Yes I'm down, I'll never let him go,
You see he's the one I want,
He's got me total, total lock down.

Total lock, total lock, total lock, total lock, total lock,
total lock,
Total lock, total lock, total lock, total lock,
Let's goo.

[Chorus:]

Yes I'm down, I'll never let him go,
You see he's the one I want,
He's got me total, total lock down
