[Jin]
Baby I got it
Got what you need
Wanna take you places
You may never wanna leave
Let me be your driver
I'll take you wherever
Let me sit behind ya
Lay it on my leather

[Jin]
Shawty tell me that it's okay (okay)
If I can spend the night baby (baby)
I could give you just what you need
As long as the light is green
Tell me that you ready, I'll go (go)
Caution imma take it slow (slow)
Like aww baby, aww baby, aww baby

[Jin]
Gimme a test drive (ey)
So I could take you for a ride
After midnight (ey)
We'll go downtown
Gimme a test drive (ey)

When I throw some d's on ya body
If you're ready, you can start it by givin me a test drive
