This is my last goodbye
Get up and go-oo-woah
I wanna know what it's like
Get up and go-oo-woah
Ain't gonna wait around and die
Get up and go-oo-woah
It's not enough to survive if you're losing your mind just
to believe in it

Come on and put yourself in danger
Don't answer if anyone calls
Come on and put yourself in danger
Don't answer if anyone calls

I know how hard you tried
Get up and go-oo-woah
You wanna know what it's like
Get up and go-oo-woah
Don't let it bury you alive
Get up and go-oo-woah
Just leave it all in the past it's gonna happen so fast you
won't even feel it

Come on and put yourself in danger
Don't answer if anyone calls
Come on and put yourself in danger
Don't answer if anyone calls
Come on and put yourself in danger
Don't answer if anyone calls
Don't answer if anyone calls

This is our last goodbye
Get up and go-oo-woah
So lets cut to the chase there's no time to waste, you
better believe me

Come on and put yourself in danger
Don't answer if anyone calls
Come on and put yourself in danger
Don't answer if anyone calls
Come on and put yourself in danger

Don't answer if anyone calls
Come on and put yourself in danger
Don't answer if anyone calls
Don't answer
Don't answer
Don't answer
Don't answer if anyone calls
