You're talkin' like you're going somewhere
Tell me where and I will follow
You're dressin' up and combin' your hair
Like you won't be back tomorrow
Whoa, whoa yeah

I don't wanna think it over
'Cause I've known from the start
Every morning brings a new change of heart

I've been hangin' out with my friends
Drinkin', smokin', watchin' TV
I only wanna see you again
How did I let this happen to me?
Whoa, whoa yeah

I don't wanna think it over
'Cause I've known from the start
That I wan'chya on my shoulder lyin' here in the dark
Every morning brings a new change of heart

When I turn around I know
You know, you're out the door
Funny how you love the ones you're lyin' for
Love the ones you're dyin' for

I don't wanna think it over
'Cause I've known from the start
That I wan'chya on my shoulder lyin' here in the dark
Every morning brings a new change of heart
