Don't ask me if I'm ok
And smile like you dunno the answer
We lost every penny we made
Dancing like you video slaves

Woah-o-oh woah-o-oh
Woah-o-oh

One step beyond his face
Two feet away from disaster
Three strikes is all it takes
To get us nothing more

The crash was hard as hell
The victims beg for relief now
Who's left... to tell
Cause no one's really sure

And?don't ask me if I'm ok
And smile like you dunno the answer
We lost every penny we made
Dancing like you video slaves

One touch is all we need
To push is over the flood gates
Our hearts were born to bleed
So they find a cure

And?don't ask me if I'm ok
And smile like you dunno the answer
We lost every penny we made
Dancing like you video slaves

Don't ask me if I'm ok
And smile like you dunno the answer
We lost everything you gave
Dancing like you video slaves

Yeah yeah

Don't ask me if I'm ok

And smile like you dunno the answer
We lost every penny we made
Dancing like you video slaves

Woah-o-oh woah-o-oh

Dancing like your video slaves
