Forever pushing 10 to midnight
Fadin' into the black
Tonight I'm going through the red lights
Always thinking back

It really doesn't matter
It's all in my mind
I think about it all the time

You're the one
Living in the moment
I thought everything was sure
You're the one
Telling me it's hopeless
Don't know what I'm sorry for

The losers & the run-around guys
Hang out in the street
I waited 'til you said your goodbyes
Just so we could meet

It really doesn't matter
It's all in my mind
I think about it all the time

You're the one
Living in the moment
I thought everything was sure
You're the one
Telling me it's hopeless
Don't know what I'm sorry for

You're the one
I thought everthing was sure
You're the one
Don't know what I'm sorry for

I'm caught between what I want
And what's right [X3]

You're the one

Living in the moment
I thought everything was sure
You're the one
Telling me it's hopeless
Don't know what I'm sorry for
