

Omega Lithium "Dance With Me"

Visit "[Dance With Me](#)" on MotoLyrics.com

You went to this realm
And now we are one
There's no turning back
You cross the line
And now you are mine

Dance with me, Dance with me
Drink the fire, Push it higher
Dance with me, Dance with me
Drink the fire, Push it higher

Your quest for answers
Has reached it's end
We only tear
You don't care
To pretend

Dance with me, Dance with me
Burn the dire, Breath the fire
Dance with me, Dance with me

Burn the dire, Breath the fire

Dance with me, Dance with me

Join me,
Taste the color, Spill your life for me
Take me in your hand
In your hand (Dance with me)

Dance with me, Dance with me
Drink the fire, Push it higher
Dance with me, Dance with me
Drink the fire, Push it higher

Dance with me, Dance with me
Burn the dire, Breath the fire
Dance with me, Dance with me
Burn the dire, Breath the fire

Dance with me, Dance with me
Dance with me, Dance with me
