Burning axes growing out from their hands  
Modern warriors in the ancient mission  
Destroy the enemies' world  
In the name of the glorious undone  
Marching in lines to an unknown land  
Afraid warriors leaving their souls  
Destroy poor people's worlds  
In the name of their sinning God

Here is the end of our lives  
The last time we'll see the sun

Here is the end of our future  
Only fear and pain remain

Marching in lines to an unknown land  
Afraid warriors leaving their souls  
Destroy poor people's worlds  
In the name of their sinning God

Here is the end of our lives  
The last time we'll see the sun  
Here is the end of our future  
Only fear and pain remain
