

## Omega Lithium

### "Strip Me"

Visit "[Strip Me](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Flick the light, switch  
Tell me your desires  
Ignite the passion  
Revive the old pyres

Give me your darkness  
Give me your soul  
Crack yourself open  
This time let yourself go

Strip me  
Tear me apart  
Break me  
Right from the start

Use me  
Fill in the hole  
Rip me  
Lose your control

Strip me  
Tear me apart  
Break me  
Right from the start

Use me  
Fill in the hole  
Rip me  
Lose your control

Scorn and broken  
I lay silently  
And I cry  
And I pray  
For new dawn to save me

Strip me  
Tear me apart  
Break me  
Right from the start

Use me  
Fill in the hole  
Rip me  
Lose your control

Strip me  
Tear me apart  
Break me  
Right from the start

Use me  
Fill in the hole  
Rip me  
Lose your control

I suck in your rage  
I swallow your hate  
I clean up your mess  
I clear up your fate

Strip me  
Tear me apart  
Break me  
Right from the start

Use me  
Fill in the hole  
Rip me  
Lose your control

Strip me  
Tear me apart  
Break me  
Right from the start

Use me  
Fill in the hole  
Rip me  
Lose your control

Strip me  
Tear me apart  
Break me  
Right from the start

Use me  
Fill in the hole  
Rip me  
Lose your control

Strip me

Tear me apart  
Break me  
Right from the start

Use me  
Fill in the hole  
Rip me  
Lose your control
