I don't wanna fall out  
But we're all out of time  
(Is this over?)  
(Don't want an ending)  
In one day  
No way you'll be mine  
(Is this over?)  
(Don't want an ending)

Mmm... (Don't want an ending)

My heart is running on empty  
One more day and then we go  
And, yeah, the time goes on now  
Don't ask me how, I don't know

We'll be home tomorrow  
'Bout a thousand miles too far away  
Say you won't forget and I'll be okay

At least tonight  
It's just you and me and honestly  
That's everything I need

I don't wanna fall out  
But we're all out of time  
(Is this over?)  
(Don't want an ending)  
In one day  
No way you'll be mine  
(Is this over?)  
(Don't want an ending)

Tonight's a countdown  
'Til the day we're not around  
(Is this over?)  
(Don't want an ending)  
Then you're gone  
And we're on with our lives  
(Is this over?)  
I don't want an ending

No... Don't want an ending...

The days turn to hours  
And it's just a moment before they go  
I'm scared to say goodbye  
'Cuz what's after that?  
I don't know

And as the years slip past us  
If we lose track or lose the fight  
I will search forever to find a back  
To tonight, where it's just you and me  
And honestly, that's everything I need

I don't wanna fall out  
But we're all out of time  
(Is this over?)  
(Don't want an ending)  
In one day,  
No way you'll be mine  
(Is this over?)  
(Don't want an ending)

Tonight's a countdown  
'Til the day we're not around  
(Is this over?)  
(Don't want an ending)  
Then you're gone  
And we're on with our lives  
(Is this over?)  
I don't want an ending

We say "See you later"  
(See you later)  
But I know there's no way we're  
(There's no way we're)  
Around here again Yeah...  
And every "Until next time"  
(Until next time)  
Feels like one bad punchline  
And I don't want that again

I don't wanna fall out  
But we're all out of time  
(Is this over?)  
(Don't want an ending)  
In one day,  
No way you'll be mine  
(Is this over?)  
I don't want an ending

I don't wanna fall out  
But we're all out of time  
(Is this over?)  
(Don't want an ending)  
In one day,  
No way you'll be mine  
(Is this over?)  
I don't want an ending

Tonight's a countdown  
'Til the day we're not around  
(Is this over?)  
(Don't want an ending)  
Then you're gone (You're gone)  
And we're on with our lives  
(Is this over?)  
I don't want an ending

No... I'm all out of time  
(Don't want an ending)  
Don't want an ending  
Mmm... Don't want an ending
