Do you ever feel like a plastic bag
Floating through the wind, wanting to start again
Do you ever feel, feel so paper thin
Like a house of cards, one blow from caving in
Do you ever feel already buried deep, six feet under
scream
But no one seems to hear a thing
Do you know that there's still a chance for you
Cause there's a spark in you
You just gotta ignite the light and let it shine
Just own the night
Like the Fourth of July
Easy come, Easy go
That's the way u live, oh
Take, take, Take it all
But u never give
I should've known you was trouble
From the first kiss
Had your eyes wide open.
Why were they open?
I gave you all I had and you tossed it in the trash,
You tossed it in the trash, you did
To give me all your love is all I ever asked, 'cause
What you don't understand is
I would catch a grenade for you
Throw my hand on a blade for you
Make them go OH OH OH
As you shoot across the sky
Baby you're a firework
Come on let your colors burst
Make them go OH OH OH
Gonna leave them going on
I would go through all of this pain
Take a bullet straight through my brain
I would die for ya, baby
But you won't do the same
You won't do the same
Cause we gon rock this club
We gon' go all night
We gon' light it up like it's dynamite
And I told you once

And now I told u twice
We gon' like it up like it's dynamite
Cause baby you're a firework
Come on let your colors burst
I would catch a grenade for you
Throw my hand on a blade for you
I would catch a grenade for you
Boom Boom Boom
Even brighter than the MOON MOON
I would go through all of this pain
Take a bullet straight through my brain
I would die for you, baby
Cause baby you're a firework
Come on let your colors burst
