(Yeah Sam)
(I wanna have your baby)
(Tsui)

The way you make me feel
ABC, easy as 123

You and I must make a pact
We must bring salvation back
Where there is love, I'll be there

Gonna make a change
For once in my life
I'll reach out my hand to you
its gonna feel real good
Gonna make a difference,
Gonna make it right
I'll have faith in all you do

Whoa, oh
Just call my name
And I'll be there

A summers disregard
A broken bottle top
And a one man soul
They follow each other on the wind you know
Cause they got no where to go

That's why I want you to know
I'm starting with the man in the mirror
I'm asking him to change his ways
No message could have been any clearer

If you wanna make the world a better place
Take a look at yourself
And make a change

You've been hit, you've been struck by
A smooth criminal

She was more like beauty queen from a movie scene
I said don't mind, but what do you mean I am the one
(Baby) Wanna dance on the floor in the round
(And no one's gonna save you from this beats about to
strike)

She told me her name was Billie Jean, as she caused a
scene
Then every head turned with eyes that dreamed of
being the one
(Baby) Wanna dance on the floor in the round
When you're fighting for you life
Inside this killer, thriller tonight

They told him "Don't you ever come around here
Don't wanna see your face, you better disappear"
The fire's in their eyes and their words are really clear
So beat it, just beat it

You better run, you better do what you can
(She's not my lover, she's just a girl)
(Who thinks that I am the one)
(But the kid is not my son)
Don't wanna see no blood, don't be a macho man
You wanna be tough, better do what you can
So beat it, but you wanna be bad

Just beat it,
You and I must make (Beat it) a pact
(I'll be there, We must bring salvation back)

Just beat it
I'm starting with the (Beat it) man in the mirror
Its a thriller,
I'm asking you to change his ways, thriller now

Just beat it
(You and I must make a pact)
Billie Jean is (Beat it) not my lover
I'll be there, she's just a girl who thinks that I am the
one

Just beat it
I'm starting with the (Beat it) man in the mirror,
The kid is not my son
Thriller, thriller now

Just beat it
I'm starting with the
Beat it
I'll be there

But the kid is not my son
Just beat it
Billie Jean is not my lover
Holding out my hand to you
Its a thriller, I'm asking you to change your ways,
Thriller now

Just beat it
