I have never gazed upon you face
So tell me why I feel this way
You have me flying above the clouds
You have my heart beating aloud
Can this be love I am feeling
Or just another lie
That leaves me sealing up my heart
And leaves me blind to the truth...

Chorus:

My hearts ablaze
I'm in a daze
Can someone help me
Stand on my own two feet

I'm in a fog
It's been too long
Since the last time
I heard your voice
Take my heart into
The depths of forever
And don't forget me
Just remember
Remember me and you will see
That I am your forever

Chorus:

My hearts ablaze
I'm in a daze
Can someone help me
Stand on my own two feet (X2)

I'm in a fog
It's been too long
Since the last time
I heard your voice
Take my heart into
The depths of forever
And don't forget me just remember
Remember me and you will see

That I am yours forever
