Whenever I hear a Christmas song I wanna get up and sing
When there's love I sing along and find some bells to ring
Wherever there's angels up above
Wherever there's christmas trees
There's gonna be peace and hope and love and wonderful memories
There'll be laughter there'll be song we'll o caroling all night long
Believing in christmas makes it magic can't you see
It's better to give than to receive
Blessings for you and me
Staying up late on christmas eve
Will there be presents for me
There'll be laughter there'll be song we'll go caroling all night long
Believing in Christmas makes it magic can't you see
I do believe in christmas
I believe in love
As sure as there is santa ringing sleigh bells up above
We do believe in harmony and family and good cheer
Throughout the year
Whenever there's hope in the air
Whenever we light the tree
Whenever there's love in our prayers
That's christmas time for me
Whenever I hear a christmas song I wanna get up and sing
Whenever there's love I sing along and find some bells to ring
There'll be laughter there'll be song we'll go caroling all night long
Believing in christmas makes it magic can't you see
For you and me
I do believe in christmas
I believe in love
As sure as there is santa ringing sleigh bells up above
We do believe in harmony and family and good cheer
Throughout the year
(Throughout the year)
I do believe in christmas

I believe in love
AS sure as there is santa ringing sleigh bells up above
We do believe in harmony and family and good cheer
(Good cheer)
We do believe in christmas
Throughout the year
