You're just focused on your sorrow
And you're always waiting for tomorrow
In your eyes I see your innocence
Come with me we've got a lot to share

I'm feeling
I'm feeling alone again
I'm waiting
I'm waiting alone again

Sometimes I fade away
Sometimes I've got a lot to say
Cuz I love you
Sometimes I make mistakes
But you're the only one for me
Cuz I love you

I beg you to think things over
To drop the rope and share with me this moment
In my eyes you'll find desire
To play with you and turn this burning fire

I'm feeling
I'm feeling alone again
I'm waiting
I'm waiting alone again

Sometimes I fade away
Sometimes I've got a lot to say
Cuz I love you
Sometimes I make mistakes
But you're the only one for me
Cuz I love you

I don't wanna see you cry
Cuz you're my magic butterfly
And it burns me deep inside

I'm feeling
I'm feeling alone again
I'm waiting
I'm waiting alone again

Sometimes I fade away
Sometimes I've got a lot to say
Cuz I love you
Sometimes I make mistakes
But you're the only one for me
Cuz I love you
