I can tell you what I need
What crazy things are meant to be
All I see is fading fire
So come with me and share my desire

Now I know I'm going down
Love is running to my veins
Baby I can't turn away
And it's driving me insane

So...
Love me
Tease me
Devil in disguise
Hate me or Break me
And shoot me on the ground
I've been waiting... Fading
For the longest time
And I can't get no Lovin'

I can't tell you how I feel
Baby show me what it's real
I don't want to feel this pain
Please just make it go away

Now I know I'm going down
To smell the roses on your ground
Baby please don't turn away
Still It's driving me insane

So...
Love me
Tease me
Devil in disguise
Hate me or Break me
And shoot me on the ground
I've been waiting... Fading
For the longest time
And I can't get no Lovin'

No Lovin'...

Now I know I'm going down
Love is running to my veins
Baby I can't turn away
And it's driving me insane

So...
Love me
Tease me
Devil in disguise
Hate me or Break me
And shoot me on the ground
I've been waiting... Fading
For the longest time
And I can't get no
I can't get no...
Lovin'
