If you fade away
I'd be alone again
My heart would be in emptiness
But if you want to stay
Close your eyes and say
Love me until we fade

I see you in my mind
As I'm kneeling down to cry

I want you to know
I want you to stay
I want you to know how much you mean to me
You bring me life
You bring me faith
And after all this time our love will never end

I wonder if you're there
When I need a hand
To lift me up up to the sky
Like the falling rain
Tears run down my face
When I know that you're not there

I suddenly realize
You left me here to die
Still...

I want you to know
I want you to stay
I want you to know how much you mean to me
You give me life
You bring me faith
And after all this time our love will never end

I see you in my mind
As I'm kneeling down to cry

I want you to know
I want you to stay
I want you to know how much you mean to me
You gave me life

You brought me faith
And after all this time our love will never end
