"Human Behavior"

I look in mirrors
I look in your eyes
I'm looking for answers
I still don't understand

Why is it every time I see you, I can't help myself
There is something inside me that draws my stares on
you
I know you don't care for me but I won't face the truth
An impulse, instinct, reaction to what you think

And your life's an instant
Like what you just thought
No matter what you say
But it's too late to stop

Human behavior [x4]

An impulse, instinct, reaction behavior
An impulse, instinct, reaction behavior
An impulse, instinct, reaction behavior
Behavior [x5]
Behave yourself
