RAAAAAAAAAAWRRRRRRRR!

The curtains will fall

When your shows are over

When your shows are over

Yeah!

Mask polished till nice

Dreams shattered to dust

Wake up from your disguise

Inside this sick tragedy

Tragedy of our lives

It seems that shame reflects reality

It seems that shame reflects reality

OH!

Those eyes are hunger for our demise

Your misconceptions are all to blame

There is no revenge so complete as forgiveness

You will fall, fall to your knees.

Your blades and knives have rusted on my back

I drive you in, I drive you in.

(Chorus)

The time has come, it's time to say goodbye!

MOVE!

Cogitate your words before you speak

Such beauty, such innocence

That's how you fake your pretty face

These walls are infected

It's full of your filthy blood

(Chorus)

The time has come, it's time to say goodbye!

Lies, you make it sound good with you lies

Your lies

(Sing along)

TAKE YOUR REVENGE!

TAKE YOUR REVENGE, REVENGE, TAKE YOUR

REVENGE!
