Chorus 1:

I'm still wearin' your name  
Things are not the same  
Found me a better man  
Someone who loves me and understands

Verse 1:

Gave you the best years of my life  
We couldn't get it right  
You mistreated me baby  
And you stayed out late at night  
You let your so called friends mislead you  
They didn't have one clue  
Now that we are through,  
I'm goin' on without you because

Chorus 2:

I'm still wearin' your name  
Things are not the same  
Found me a better man  
Someone who loves me and understands  
Sorry but I gotta go  
Before I leave I wanna let you know  
The papers are on the way  
You can be lookin' for them any day

Verse 2:

Found myself a good man  
Now I'm over you  
I never thought I'd love this way again  
But now I feel brand new  
I'm so happy  
My time is overdue  
And I'm glad to say  
My life is about to change all because

Chorus 2

Bridge:

Ain't no need in you callin' here  
Tryin' to tell me what to do  
You see I don't owe you nothing  
And all I'm asking is a little respect from you  
But if you would be a responsible father  
Everything will work out just fine  
You can't no nothin' else for me  
But sign your name right here on this dotted line
