[Verse 1:]

Rags to riches, star to addict, ya'll know how the story goes  
Around every corner and playground, there's someone  
that who could have had it all  
But for one reason or another, their path went  
somewhere other than a world calling their name From  
A grade student to class A losers, what's happening  
with our kids today?  
Poisoned by our own, can't sleep anymore, sister's  
work on corners, brothers keep on brawling'  
So just tell me how the story ends,  
The question is where did it all begin?

[Chorus:]

Robin hood heroes  
Just a page in a fairytale, lifestyle of the ghetto They  
robin' hood heroes,  
Goes on and on, goes on and on, goes on and on  
[Repeat]

[Verse 2:]

They deal to the rich, give to the poor, only metres  
from my door  
Turning street legends to urban myth, from Rucker  
park all the way to Grey Lynn  
From what could of to never been, be the words in the  
song you sing  
Not with trumpets, instead with violins, while you dance  
by yourself, (So hooked)  
You can't see you need help, (So cooked)  
So it's back to the bro you go,  
It hurts, cause you could have had it all

Oh ooohhhhhhhhhh  
You could have had it all

[Chorus:]

Robin hood heroes  
Just a page in a fairytale, lifestyle of the ghetto They  
robin' hood heroes,

Goes on and on, goes on and on, goes on and on  
[Repeat]

It goes on and on, it goes on and on
