Verse 1:

Deep in the silence
Lost in the starless night
Gentle peace
I wake and see
Standing alone
In darkness it calls
Casting light, waking life

Chorus:

Here in my heart
I feel you
Angel in the sky, show me
Where all our dreams come true
Angel in the sky
You're near

Verse 2:

Deep in my dreams
I feel a breath on me
Shining bright
This starless night
Deep in the still
Beyond the misty light
I believe angels breathe

Chorus:

You're in my heart,
I feel you
Angel in the sky, show me
Where all our dreams come true
Angel in the sky
You're near

Instrumental

Chorus:

You're in my heart,
I feel you
Angel in the sky, show me
Where all our dreams come true
Angel in the sky

You're near
