Verse 1:

If a picture paints a thousand words
Then why can't I paint you
The words will never show
The you I've come to know
If a face could launch a thousand ships
Then where am I to go
There's no one home but you
You're all that's left me to.

Chorus:

And when my love for life is running dry
You come and pour yourself on me.

Verse 2:

If I could be two places at one time, I'd be with you
Tomorrow and today, beside you all the way
If the world should stop revolving, spinning slowly
down to die
I'd spend the end with you and when the world was
through

Chorus:

Then one by one the stars would all go out
Then you and I would simply fly away

Instrumental

Then one by one the stars would all go out
Then you and I would simply fly away

Simply fly away
