Elimination process has begun to silence  
Those who speak out  
For truth, we were the ones who fought  
And never gave up!  
Conspiracies are the only thing  
I have ever believed.  
A light of truth has been doused  
For my eyes have seen this blood stained thought  
Too many times!  
I have seen your lie!  
Too long  
We have bred, these optics of illusion.  
A frequency in our our mind  
Has been placed to consume the knowledge of all  
mankind.  
You are nothing more than a burden  
Screaming wasted words.  
In my mind, I am left with luck  
Something I don't believe  
Screaming wasted words  
I am perceived of a dying breed  
I see the misery!  
In screaming wasted words...
