Bring The Fire by Shake It Up
Oh oh oh oh oh ohh
Bring the fire tonight
Oh oh oh oh oh ohh
Bring the fire tonight
Let's sneak in the back, gettin' in for free
Heart attack cause I'm too afraid to do this, yeah
Deep breath, I'm a wreck
But I came to d-d-d-dance, d-d-d-dance

I'm weak, f-feeling lost
Weak, don't miss your shot
Weak, show what I got
What what what I got

Do it up, do it up, do it up on the floor
Aye ah, aye ah, and bring the fire tonight
Do it up, do it up can ya gimme some more
Aye ah, aye ah, and bring the fire tonight
DJ spin the hotness, nothin's gonna stop us
Do it up, do it up, do it up on the floor
Aye aye, yeah yeah

It's showtime, make a move
We didn't come this far just to freeze
From standin' over in this corner, no
Spotlight passin' by, time to clear the way-ay-ay-ay-ay-
ay-ay-ay

I'm weak, I wanna rock
Weak, don't miss your shot
Weak, show what I got
What what what I got

Do it up, do it up, do it up on the floor
Aye ah, aye ah, and bring the fire tonight
Do it up, do it up can ya gimme some more
Aye ah, aye ah, and bring the fire tonight
DJ spin the hotness, nothin's gonna stop us
Do it up, do it up, do it up on the floor
Aye aye, yeah yeah

Show my passion
Keep on dancing
Hot as lightning
Oh yeah, oh yeah
Oh yeah, oh yeah

I feel unsteady
But now I'm ready
So come and get me
Oh yeah, oh yeah
Oh yeah, oh yeah

I'm weak, I wanna rock
Weak, don't miss your shot
Weak, show what I got
What what what I got
Do it up, do it up, do it up on the floor
Aye ah, aye ah, and bring the fire tonight
Do it up, do it up can ya gimme some more
Aye ah, aye ah, and bring the fire tonight
DJ spin the hotness, nothin's gonna stop us
Do it up, do it up, do it up on the floor
Aye aye, yeah yeah
